

# Valve and Service Boxes E-5

# Slide Type Valve Boxes, Two-Piece

## QWP Heavy Duty Valve Box Cover

The QWP valve box cover is the extra heavy, non-tilting, drop style and is recessed in the box top to prevent plow breakage. The standard cover has pick holes for easy removal.

DESCRIPTION	PRODUCT NUMBER
Valve Box Cover - Water QWP*	45005 600
Valve Box Cover - Sewer QWP	45025 600

\* Parts needed for standard 5' 0" Valve Box Complete.  
**NOTE:** See page E-9 for Lok'n Rise Valve Box Cover.

## Top-Flange Valve Box Top

The valve box top has a smoothly cast seat to accept the valve box cover and insure a non-rocking installation. The top is available with a top flange (as shown) which helps eliminate settlement from traffic loads, and prevents frost from raising the box above the road surface. (See Top-Flange vs. No-Flange Valve Box Top comparison on the back of the Table of Contents page).

DESCRIPTION	PRODUCT NUMBER
26" Valve Box Top TF*	45070
26" Valve Box Top NF	45075
