Surveying & Engineering Equipment

Digital Scale Master®

The Scale Master® Classic is designed for building, engineering and construction professionals. Obtain fast, accurate linear, area and volume take-offs from blueprints, drawings and maps. It is an ideal tool for preparing bids and estimates in the field or office.

IT HELPS YOU:

- Dramatically cut take-off time
- Speed estimates
- Improve profit
- Reduce errors
- Improve crew productivity

DESCRIPTION	PRODUCT NUMBER
Scale Master® Classic	91343

Digital Scale Master® II

Scale Master® II makes it easy to do linear, area and volume take-offs with speed and accuracy. The Scale Master II provides transfer capabilities from plans, blueprints and maps as well as out of scale drawings.

The PC Interface is fully compatible Windows 98, 2000, NT and XP. Transfer any rolled values from the Scale Master II directly into commonly used spreadsheets or estimating programs saving countless keystrokes and time.

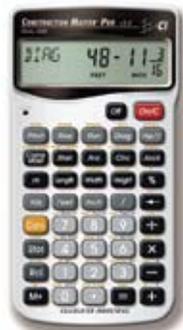

IT HELPS YOU:

- Complete Take-offs with speed and accuracy
- Reduce errors in estimates and bids
- Improve productivity and maximize profitability
- Create permanent record of dimensions and values
