NOTES:

- All fittings are available in standard CPPJ and Quik Style compression connections. Please specify.
- Stainless steel insert stiffeners are recommended for use with plastic tubing(CTS); see page G-12.
- Upon request, Ball Valve Corporations are available with other outlet connections such as flare copper, male iron pipe and female iron pipe threads.
- Tee Head Adapters for 1½" and 2" Ballcorps™ are available upon request. Contact your local Team EJP sales office for assistance.
