\* Sensus RF Transmitters and Transmitter Batteries shipped after April 1, 2003 are guaranteed to be free from material and workmanship defects for 20 years. Sensus will repair or replace a non-performing RF Transmitter or Battery at no cost during the first ten (10) years from the date of shipment, and at a prorated, discounted cost during the remaining ten (10) years.

Guarantee applies to product installed and programmed according to Sensus Installation Programming Instruction sheets.

### XI. Guarantee Claims...

on meters returned to EJP must include customer test results specified by meter serial number obtained according to AWWA standards. Test results will not be valid if meter is found to contain foreign materials. EJP reserves the right to request meter reading record history by serial number to validate warranty claims.

If customer chooses not to test an EJP meter prior to returning it to EJP under the performance guarantee, EJP will repair or replace the meter, at EJP's option after the meter has been tested by EJP. The customer will be charged a testing fee as stated in the EJP Meter Maintenance Program.

### XII. Limits of Liability...

EJP does not guarantee any products, components or parts not sold by EJP or products which have been damaged by willful misconduct, negligence, vandalism, acts of God, excessive operating conditions or unauthorized attachments or modifications. Guarantees will be nullified if products are placed in non-recommended installation or are converted, altered or treated by other than EJP recommended procedures, or are read by equipment not approved by EJP.

EJP liability and customer's exclusive remedy under this guarantee is expressly limited to repair or replacement of the product at EJP's option and conditioned upon the customer returning the products to the location designated by EJP within the guarantee periods or limits stated herein and prepaying the freight costs both to and from such location. In no event shall EJP be liable for costs or expenses associated with the removal or installation of guaranteed products.

In no event shall EJP be liable for special incidental, indirect or consequential damages of any kind. Incidental and consequential damages include, but are not limited to, lost revenue. In addition, damages resulting from negligence on the part of the customer including, but not limited to the care and maintenance of EJP products, or damages resulting from negligence regarding periodic testing of the product's performance, are not covered under this guarantee.

Guarantees expressed herein are applicable to water utility installations and applications and are limited to the original purchaser of the product.

**THIS GUARANTEE IS MADE EXPRESSLY IN LIEU OF ALL OTHER WARRANTIES OR GUARANTEES EXPRESS, IMPLIED OR STATUTORY, WITH RESPECT TO QUALITY, MERCHANTABILITY, OR FITNESS FOR A PARTICULAR PURPOSE.**
