Cable Ratchet Lever Hoists

Cable ratchet lever hoists are available from ½ to 3-ton capacities. Each cable ratchet lever hoist is factory tested to 125% of the rated capacity.

Features:

- Capacities - rated loads of 750 pounds to 3000 pounds single line; 1500 pounds to 6000 pounds double line.
- Open Frame Design - allow for daily inspection and cleaning.
- 360° Swivel Hooks - drop forged steel hooks with latches.
- Swaged Ball Shank Terminal - locks the cable in the drum of the cable come-along and allows for full cable extension.
- Reversible Handle- will bend at an average of 20-50% overload, warning operator to back off of the load before serious injury or damage can occur.
- Double Locking Pawl System - allows for no load brakes to slip.
